# News and Highlights!

2nd Qtr. 2015

Friends,

Make sure you put March 7 on the calendar and come down to the club for our annual game dinner! You won't want to miss the good food, fun, and even the chance to win some pretty nice stuff!

I want to thank so many people who jump in and keep our club in tip-top shape –from fixing things to plowing the snow! We also want to thank those involved in organizing and executing social events like the Game Dinner.

It take a lot of people to pull off something as nice as our Game Dinner. Thanks to Fran Dinco and a slew of others we can come and enjoy a great evening with friends here at the club!

## 7 MARCH 6:00 GAME DINNER!

### Don't miss the Game Dinner!

Camo is the dress code & good food is on the menu! Last year we had braised Kentucky rabbit, venison macaroni & cheese, smoked turkey, Lake Erie walleye, venison chili, goose breasts and so much more! It was delicious! This year the line-up will be similar. Savory dishes made from some of the game we've harvested over the past year. If you're a little shy about eating game -don't worry they'll be some game-less food like haluski, pierogies, ham, beef and all kinds of sweet things for dessert!

We'll have door prizes and raffles so there's plenty of opportunity to win something nice to take home! Invite a friend, bring a neighbor and come on down for a great meal and some good stories here at the club! **Please contact Fran Dinco (724)493-4326 or John Amos (email [jpamos1965@gmail.com](mailto:jpamos1965@gmail.com)) to help out or for more information!**

Make sure you wear some camo!

WOW what a layout!! Um, um good!

Catch up with –or make some new- friends!

Webb for volunteering to clean up the trunk and debris. We will assess any repairs needed come spring. We also want to acknowledge WORGC member Ken Cipra for donating his time, crew and gas to keep the club roads and parking areas plowed this winter.

All the winter we've had brought a tree down on the road. It grazed the edge of the clubhouse and caused some minor damage to the gutter and downspout.
