The first annual WORGC Flea Market was held on May 2 and what a beautiful day it was! The sun was shining, the hot dogs were delicious, and stuff was selling. We had forty-two vendors who sold everything from firearms to musical instruments. Along with all the sales one NRA membership application was accepted and five new applications for club membership. ## The Well Armed Woman

Where The Feminine and Firearms Meet

TWAW April 20th Meeting  
- Speaker, Beth Mastorovich

SUBJECT: Home Defense

The April 20th monthly meeting of "The Well-Armed Woman" was attended by 24 women, five who were first timers. The best technique for defending yourself is one that never has to be performed. Using our firearm should be the last thing we rely on in protecting our homes and our families. We discussed many preemptive measures such as deadbolt locks, removing shrubbery to eliminate hiding spots, installing motion lights, cameras and/or alarm systems, getting a dog, and preparing an emergency plan for the family. An open discussion allowed the attendees to share their own personal defensive measures. TWAW, North Huntingdon Chapter, celebrated their sixth month anniversary at this meeting.

May Meeting: Westmoreland County Sheriff Held and a K-9 officer and his handler will be with us. Women will also be able to obtain their conceal carry permits at this meeting. In order to receive a permit women must live in Westmoreland County, have their driver's license and \$20 (cash or check). Consider joining us!
